Let's Talk . . . Assessment Validation

There has been a great deal of chatter and questions flying around about assessment validation. So to set the record straight and address some of the current concerns we have been hearing, we would like to invite you to a half day workshop.

Please join us in a professional conversation with fellow RTO colleagues to workshop:

- strategies for meeting requirements in the *Standards for RTOs 2015*
- risk management and how much validation is enough
- external assessment validation approaches
- best use of the *Principles of Assessment and Rules of Evidence*
- how assessment validation can contribute to RTO reputation, student satisfaction and increase market value.
